

1ST ANNUAL ROBOTIC TOMATO TOSSING COMPETITION SPONSOR FORM

Don't have a robot to show off or compete? You can still help this Tomato Toss be successful. Be a sponsor. Be mentioned on our Facebook page and all advertisement and post-event publications. And remember, the East Texas Robotics Club is a 501c3 (pending) non-profit organization, teaching kids and adults how to design, build, and program robots, along with having fun preparing minds for the future.
